**Optime Subsea AS is a global industry expert on subsea well access and subsea control systems. We focus on standardized as well as innovative products and systems developments, creating long term relations with our customers. We maintain a vertically integrated portfolio with expertise offering subsea development, design, engineering and analysis, a wide range of subsea products / systems and modular hyperbaric testing vessels, as well as unlimited workshop testing and maintenance services.**

We are currently searching for a suitable Cost Controller. Working as a Cost Controller within Optime Subsea you will be responsible for all financial activities within the company. You will provide current financial advice to the CEO and to the directors of the board. A strong focus on collaboration, structure and determination will be crucial for success in the job.

## About You

Highly organized with excellent interpersonal and communication skills, you will see opportunity where others see obstacles and be energized by working in an ambiguous environment where things aren't clear and are changing rapidly.

## Your mission

- Prepares monthly financial reporting including variance and financial statement analysis.
- Able to clearly communicate a cohesive story around business drivers behind financial data and potential implications on future results.
- Manages annual budget processes, aligns budget to business strategies and gains alignment from business partners.
- Drives efficiencies and streamline finance processes

## Key Requirements

- Higher education like master or bachelor in Accounting or Business Administration
- Proven track record of financial experience
- Good communication skills in Norwegian and English, both orally and in writing

## Key Personal Qualities

- Have an "extroverted personality", i.e. you like to get to know people and have the ability to build quick, strong alliances with people at all levels in the organizations.
- One who likes to work hard and play hard.
- A competitive spirit (i.e. the drive and desire to want to out-think, out-wit and out-smart the competition)

If you want to work with an extraordinary team challenged to simplify subsea – we want to hear from you! Please send your application with updated CV, motivational letter, diplomas and relevant certificates to [job.application@optimesubsea.com](mailto:job.application@optimesubsea.com)
